Dear Sir  
Greetings from VHS!

We thank you for your generous Donation of a ventilator.

This is very timely assistance especially as we are all facing long delivery time by vendors in delivering equipments, in the present scenario due to the nCovid-19 pandemic.

We look forward to your continued support. For the past 60 years VHS has been doing yeoman service to the community via outreach programmes that have strong interaction with patient families in the areas of AIDS, TB, Cancer, Diabetes, Genetic diseases, Fetal Care, Maternal & Child Care, De-addiction, Neurosurgery, Ophthalmology and more. VHS offers many speciality medical services at very affordable rates with the support of donors and CSR funds. In 2018-19, VHS offered services to the tune of about 2.3 crores in subsidies across different Specialities, with the help of generous donations from individuals and Corporate houses.

Thank you

  
**Mrs. V. Saradha**
